

EL SISTEMA EDUCATIVO EN ESPAÑA

Traducción al inglés

1. In Spain, the educational system is a long road which begins in childhood.
2. The educational system in Spain is supervised and regulated by the Ministry of Education and Sports. Education is financed by the State and is compulsory from the age of 3 to 16.
3. Once this compulsory stage is finished, the student can choose to continue studying the for the baccalaureate or for an intermediate level vocational training.
4. However, once the student completes the baccalaureate or advanced vocational training, the student will be able to go to university.
5. However, to enroll a student in a Spanish educational center for compulsory education, several options can be chosen.
